

D07: BERT dual-class Partition SHAP

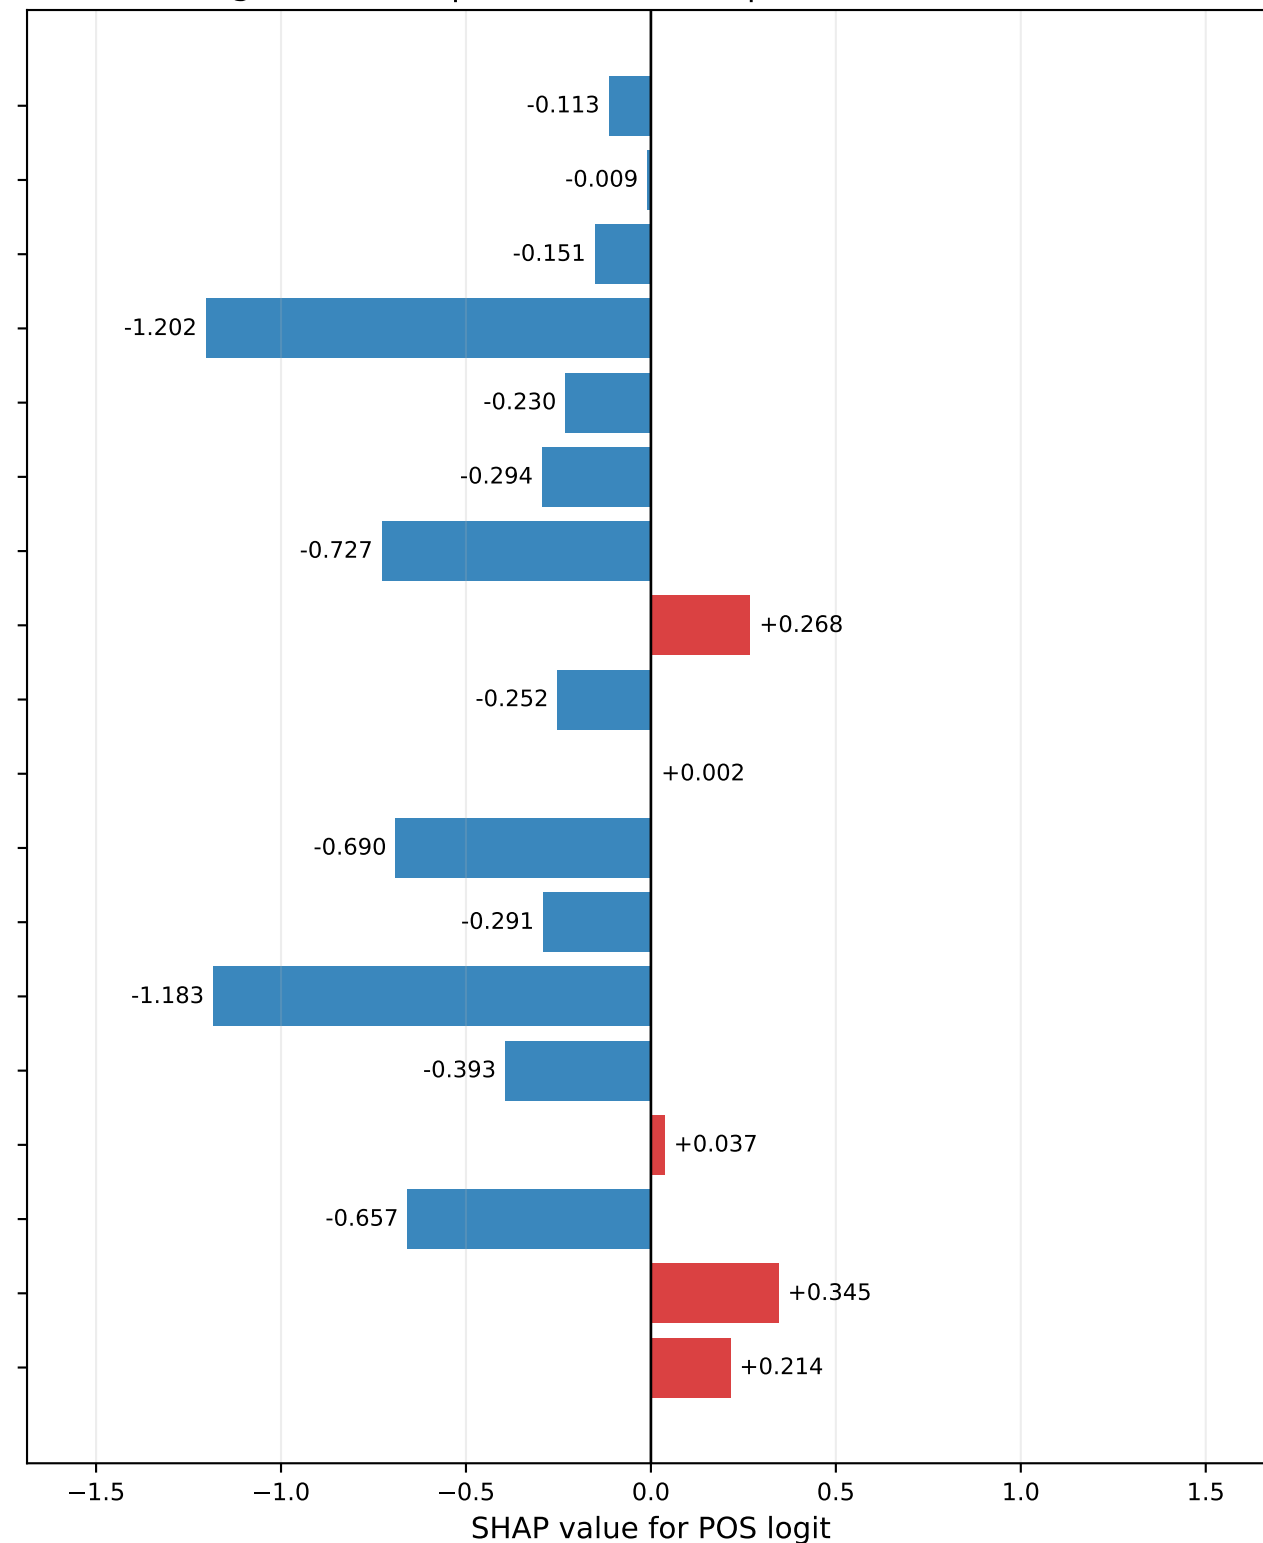

gold=NEG | prediction=NEG

The film's hackneyed message is not helped by the thin characterizations, nonexistent plot, and pretentious visual style.

Target: NEG
logit=+3.8316 | base=-2.2578 | residual=-1.78e-15

Target: POS
logit=-3.4158 | base=+2.0368 | residual=-8.88e-16

Red increases the target class logit; blue decreases it. Both panels use the same scale.
